ABOUT ME

I’m KingLeo, founder of KC AI STUDIO, based in Malaysia, with 5 years of video editing and 4 years of design. I take on part-time and freelance projects.

From short videos and promo films to posters, logos and whole websites, KC AI STUDIO helps small businesses in Malaysia tell their story clearly and make it look good.

VeniceSim · Mobile beauty

Kuala Lumpur · mobile beautician

Site type

Appointment-based service site

Style

Elegant milk-tea business card

An elegant personal brand site: packages, treatments and home-visit booking, all clear on one page.

Client work

Visit site

venicesim.com

Mooskit Latte Art Café

Equine area · latte-art café

Site type

Brand website

Style

Coffee-brown vintage labels

A café opened by a fitness coach: vintage labels and a big logo tell the owner’ s story.

Client work

Visit site

mooskit.com

ZHIJING BEAUTY

Meridian facials · collagen care

Site type

Offer landing page + online booking

Style

Soft pink with gold lines

A limited-time offer page where package comparisons, a skin check and an AI beauty adviser help clients decide.

How we work

01 Chat about your needs on WhatsApp

02 Confirm the quote and pay a 30% deposit

03 Short videos and designs: a first draft, usually within 1 day (web projects are scheduled by size)

04 Revisions until you are satisfied, then delivery

Good to know

- Remote work for clients worldwide
- No on-site filming: you send the footage, I edit and design
- 30% deposit
- Revisions until you are satisfied
- Short videos and designs usually delivered in 1 day
